

**KENNESAW STATE
UNIVERSITY**

Interactive Partner!

Kennesaw State University (KSU) is a public research university in the state of Georgia with two primary campuses, one in Kennesaw and the other in Marietta. Over multiple years, KSU has engaged TMS STEM Cohort students (and non-Cohort students) in a multi-day series of computer science educational sessions, promoting proficiency in coding and robotics. Additionally, one of our Cohort educators went to Georgia Tech and provided support in education theory and pedagogy.
